DECLARATION OF GORDON AUCHINCLOSS

I, GORDON AUCHINCLOSS, say:

1. I am a lawyer admitted to practice in the State of California. I am a Senior Deputy of the District Attorney of Santa Barbara County. I am one of the lawyers of record for the People, Plaintiff in this action.

2. This motion to seal records pertains to "PLAINTIFFS REPLY TO DEFENDANT'S OPPOSITION RE: EVIDENCE CODE § 402" filed on January 24, 2005.

3. I believe some of the information set out in the application for the orders to show cause should remain confidential, because it discloses the names of other persons whose identities have been kept confidential throughout the public proceedings in this matter in addition to disclosing pertinent facts.

4. I believe the interests of both parties in a fair trial by a jury would be enhanced if the identities of such persons were disclosed and publicized prematurely.

5. I therefore believe that the interest in a fair trial overrides the public's access to an unredacted version of plaintiff's request and its supporting declaration, and supports the sealing of those documents until further order of court.

6. I believe an order maintaining the Request and supporting Declaration under seal in the interim would avert the probability of prejudice, and that no more narrowly tailored order with respect to that request could be drafted to achieve the overriding interest in a fair trial.

I declare under penalty of perjury under the laws of California that the foregoing is true and correct, except as to matters stated upon my information and belief, and as to such matters I believe it to be true. I execute this declaration at Santa Barbara, California on January 24, 2005.

MEMORANDUM OF POINTS AND AUTHORITIES

The procedure for sealing records under California Rules of Court, rule 243.1 et seq. applies only to records that are deemed public. (*Id.*, rule 243.1(a)(2).)

Rule 243.1(d) provides that

The court may order that a record be filed under seal only if it expressly finds facts that establish:

- (1) There exists an overriding interest that overcomes the right of public access to the record;
- (2) The overriding interest supports sealing the record;
- (3) A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
- (4) The proposed sealing is narrowly tailored; and
- (5) No less restrictive means exist to achieve the overriding interest.

Rule 243.1(e) provides, in pertinent part:

(1) An order sealing the record must (i) specifically set forth the facts findings that support the findings and (ii) direct the sealing of only those documents and pages, or, if reasonably practicable, portions of those documents and pages, that contain the material that needs to be placed under seal. All other portions of each documents or page must be included in the public file.

Rule 243.2(b) provides, in pertinent part, that "Pending the determination of the motion [of a party to file a record under seal], the lodged record will be conditionally under seal."

DATED: January 24, 2005

Respectfully submitted,

THOMAS W. SNEDDON, JR., DISTRICT ATTORNEY  
County of Santa Barbara
