DECLARATION OF GERALD McC. FRANKLIN

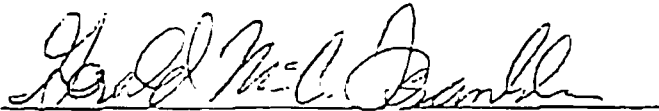

I, Gerald McC. Franklin, say:

1. I am a lawyer admitted to practice in the State of California. I am a Senior Deputy of the District Attorney of Santa Barbara County. I am one of the lawyers of record for the People, Plaintiff in this action.

2. This motion to conditionally seal the contemporaneously-filed Plaintiff's Agreement With Defense Motion For Jury Questionnaire, and requesting that the Court determine for itself whether Plaintiff's Agreement and the Motion itself are appropriate for sealing, is made on the ground that neither the Motion for Jury Questionnaire nor our Agreement thereto do not, in the undersigned's opinion, themselves reveal any information that would warrant sealing.

3. I believe that the interest of each party to a fair trial dictates that the Motion for Jury Questionnaire and our Agreement thereto should remain under conditional seal until the appropriateness of sealing the documents and, if sealing is ordered, of the release of a redacted version of the documents is determined by the court.

I declare under penalty of perjury under the laws of California that the foregoing is true and correct, except as to matters stated upon my information and belief, and as to such matters I believe it to be true. I execute this declaration at Santa Barbara, California on December 16, 2004.

Gerald McC. Franklin

MEMORANDUM OF POINTS AND AUTHORITIES

The procedure for sealing records under California Rules of Court, rule 243.1 et seq. applies only to records that are deemed public. (*Id.*, rule 243.1(a)(2).) Motions and responsive pleadings in criminal cases are, ordinarily, "public" records of the court.

Rule 243.1(d) provides that

The court may order that a record be filed under seal only if it expressly finds facts that establish:

- (1) There exists an overriding interest that overcomes the right of public access to the record;
- (2) The overriding interest supports sealing the record;
- (3) A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed;
- (4) The proposed sealing is narrowly tailored; and
- (5) No less restrictive means exist to achieve the overriding interest.

Rule 243.1(c) provides, in pertinent part:

(1) An order sealing the record must (i) specifically set forth the facts findings that support the findings and (ii) direct the sealing of only those documents and pages, or, if reasonably practicable, portions of those documents and pages, that contain the material that needs to be placed under seal. All other portions of each documents or page must be included in the public file.

Rule 243.2(b) provides, in pertinent part, that "Pending the determination of the motion [of a party to file a record under seal], the lodged record will be conditionally under seal."
